

MEET MRS. CLARK

PRESCHOOL • 2026-2027

Hello, families!

My name is Andrea Clark, and I'm very excited to be your child's Preschool Teacher for the 2026-2027 school year. I am from East Windsor, New Jersey, and I couldn't be more thrilled to begin my third year in the South Brunswick School District.

Andrea Clark

EDUCATION

Associate's Degree in Education
[Mercer County Community College](#)

Bachelor's Degree in Early Childhood Education (P-3),
with minors in History and Psychology
[William Paterson University](#)

EXPERIENCE

Twelve years as a preschool teacher, including experience at private early-learning schools and three years serving families in the South Brunswick School District.

I value warm classroom communities, strong family partnerships, and joyful, hands-on learning.

A Note from Mrs. Clark

I believe every child deserves to feel safe, loved, and encouraged to explore the world around them. It is a privilege to help children discover new skills, build confidence, and develop a lifelong love of learning.

SNACK & LUNCH

Please send one small, independent snack and a drink from home each day. Because a refrigerator and microwave are not available during snack time, choose easy-to-manage finger foods your child enjoys. Lunch may be brought from home or purchased at school. Please clearly label all snack and lunch bags with your child's name, and **DO NOT** send food or drinks in glass containers.

What Children Can Expect

SAFE & WELCOMING

A nurturing community where every child feels respected, supported, and included.

LEARNING THROUGH PLAY

Joyful, hands-on experiences that build confidence, curiosity, and school readiness.

GROWING TOGETHER

Opportunities to practice independence, communication, empathy, and friendship skills.

OUR FAMILY PARTNERSHIP Open communication and collaboration help us connect home and school, celebrate progress, and support each child's individual learning journey.

WELCOME TO PRESCHOOL

2026-2027 • ANDREA CLARK

Dear Families,

Hello! My name is Andrea Clark, and I'm excited to be your child's Preschool Teacher for the 2026-2027 school year. This will be my third year teaching in the South Brunswick School District, and I look forward to another year of learning, growth, and new experiences alongside my students. Starting preschool is an exciting milestone and, for many children, may be their first experience in a school setting. It is completely natural for children and families to have big feelings about this transition. I will welcome each child with patience, care, and reassurance while creating a warm, safe, and nurturing classroom where they feel supported, build confidence, and learn and grow at their own pace.

I have been a preschool teacher for twelve years, including two years at Bright Horizons in Lawrenceville and seven years at The Malvern School in Robbinsville. Those experiences deepened my love of helping young children learn and of building meaningful partnerships with families.

I love working with young children because every day brings new curiosity, laughter, learning, and accomplishments to celebrate. It is a privilege to help children discover new skills, build confidence, and begin developing a lifelong love of learning. Seeing each child grow socially, emotionally, and academically is the most rewarding part of what I do, and I am grateful to be part of their early learning journey.

My teaching goals are to create a safe, nurturing, and inclusive community; promote school readiness through joyful, hands-on play; recognize and support each child's individual strengths and needs; and help children develop independence, communication, empathy, and positive social skills. I will take time to know your child and practice classroom routines gently and consistently so they can feel secure and successful.

Families are essential partners in this journey. I value open communication and invite you to share questions, concerns, celebrations, or anything that may help me support your child. Thank you for trusting me to be part of this important first chapter. Together, we can make the transition to preschool feel positive, reassuring, and exciting.

Together, we will make this a joyful year of firsts.

Thank you for trusting me to learn alongside your child, celebrate their growth, and help them feel at home in our classroom community.

WELCOME TO PRESCHOOL

2026-2027 • ANDREA CLARK

Important Dates

SEP

1

September 1, 2026 - Open House: "Sneak Peek & PTO Ice Cream Social"
4:30-6:00 PM • Cambridge Elementary
